

The background features a dark blue gradient with faint, light blue concentric circles and degree markings (40, 150, 160, 170, 180, 190, 200, 210, 220, 230, 240, 250, 260) on the left side, suggesting a technical or scientific theme.

CS 2080: PROGRAMMING WITH UNIX

DR. ARMIN MOIN, ASSISTANT PROFESSOR

QUANTUM-CLASSICAL AI AND SOFTWARE ENGINEERING (QAS) LAB

DEPARTMENT OF COMPUTER SCIENCE

UNIVERSITY OF COLORADO COLORADO SPRINGS (UCCS)

SUMMER 2024

LAB 3: LINUX BASH SHELL COMMANDS, FILE PERMISSIONS, AND REGULAR EXPRESSIONS PRACTICE

- Run your AWS Academy Learner Labs and SSH into your Linux VMs.
- Let us go through some of the commands we learned in Lecture 4 (Linux Bash Shell commands I + Linux file permissions).
- We also go through some of the commands we learned in Lecture 5 (Linux Bash Shell commands II + Regular Expressions).
